WELCOME

Rich in culture, rich in history, rich in sport...this is Richmond. In the heart of it all lies the Richmond Club Hotel; an iconic Melbourne pub built in the late 1800s located on the dustling thoroughfare of Swan Street, just a short stroll from the MCG, Rod Laver Arena and AAMI Park.

Behind the unassuming facade lies a sprawling three-level venue equipped with a traditional public bar, dining room, beer garden, Level One bar and Balcony, and a rooftop with an unbelievable view of Melbourne's city skyline.

Richmond Club Hotel offers a number of unique function spaces to cater for events ranging from small intimate parties, to large corporate gatherings, and more. Positioned just a short walk from Melbourne's famous sporting precinct, we are specialists in pre and post event functions. Our friendly, professional team understands that every function is unique and will ensure your event is one to remember.

BALCONY BAR

The Level One Balcony Bar provides a semi-private area for your guests. The carefully designed and newly renovated area offers an exclusive bar and views onto Swan St. The space can be extended to include the whole of Level One for larger cocktail-style functions.

ROOFTOP TERRACE

The Rooftop Terrace provides the perfect backdrop for a unique function that will wow your guests. Cantilevered booths creep majestically over the surrounding city skyline and from left to right you can enjoy uninterrupted views of Melbourne. The Rooftop Terrace is served by its own private bar and toilets, a smokers terrace, gas heaters, plasma TVs and fully retractable awnings.
